

Snow Removal Resources

The City of East Wenatchee and Douglas County do not provide snowplowing services on private property. The City maintains roadways within city limits and Douglas County maintains county roadways.

The City and County are providing this list as a public service due to the extreme amount of snow received in North Central Washington. The City and County make no claims, promises or guarantees about the service or quality provided by businesses on this list and does not recommend any specific business on the list. Any business that wishes to be added to the list can send contact information, including name, email address and phone number, to the City of East Wenatchee at telmes@eastwenatcheewa.gov.

The City of East Wenatchee and Douglas County will not pay for the removal of snow from private property. Neither the City or the County are liable for decisions made by the public on private property nor are they liable for any property damage or personal injury that may occur as a result of any work, conduct or behavior engaged in by any business or person on the list.
